Meet the Head Coach!

Experience: 5th Season at HoCo and currently ranked #5 in Georgia; has amassed a 76-7-2, overall record and 34-2-0 Region record; owns 3 Region Conference Titles and 2 State Championship appearances. He is a 3 Time Coach of the Year in just 4 full seasons
NSCAA Top Ten High School Boys Program 2013, Nationally Ranked Team 2014 and 2015 (#11 FAB 50)
Licenses: BFUT- Brazilian Level 2 License and NSCAA Advanced National Diploma
Profession: Teacher, Houston County High School
Subjects Taught: Advanced Mathematical Decision Making and Math of Finance
Club Coach: Central Georgia Soccer Association

College Attended: Campbell University, 2001-2005, B.S. Business Administration

College Soccer: 4 year starter at Campbell University. Played Striker and Left Midfielder. Two time "Top Ten" in points for the Atlantic Sun Conference. Led team in goals Freshman year. Member of the All-Freshman team, All-Conference, Jim McVeigh Award winner, Outstanding Senior award winner.

High School Soccer: First 8th grader to start on a Varsity soccer team in the state of New York (1997). Team Leader in goals and points for 3 years and assists for 2 years. Was a member of the All-Conference team every year. Player of the year twice.

My favorite moment Playing: My first college game as a freshman, I scored 2 goals against UNC-Wilmington in the first half. At halftime, I sat down in the locker room and just took it all in as the memories of how I got to this moment came flooding in. The years of practices and hundreds of games, miles of "road trips" going to tournaments, all of the work and sweat and countless hours playing in the yard with my sister had all led to this moment and it was almost overwhelming to realize I belonged on that field. I was so happy and I knew my parents were proud of me.

Favorite Moment Coaching: My second year at HOCO, standing at midfield at West Georgia stadium for the State Championship Title game and shaking the hands of my boys as the starting lineups were announced. In a sport historically dominated by big city Atlanta clubs and high schools, I was so proud of these boys from middle Georgia for getting to this game. We had accomplished something together that had never been done before by a team from our region and it was a moment that won't ever be re-created and can only be bested if and when this year's team wins it all.

Comments on the season for Boys Varsity: For a team that only lost 1 game last season, my HOCO boys left the 2015 season with a bad taste in their mouth. The goal all last season was to make a deep run, yet we couldn't overcome allowing 3 goals to Riverwood in the second round. A telling factor for our disappointing early exit was that the boys allowed 22 regular season goals (Coach Kirk's career worst). If this years team is going to improve on last year's season and playoff hopes, they will have to stay much more disciplined.

This group has the gumption to do it. With only 5 returning starters, there will be a lot of learning this season. If they are willing to work hard, they will surprise many. A deep run in the playoffs and a state championship berth could be attainable. They have the talent and winning tradition. As long as they don't believe that their reputation will win them games, they should have a very successful season.

Favorite Soccer Moments: Going to USMNT game in Jacksonville and winning a State Championship in 2004 at Warner Robins High School.
My Moto In Sports: "Excellence is the gradual result of always striving to do better." -Pat Riley
Season Outlook: I am very optimistic about this upcoming soccer season. We have a lot of girls that are very young and talented. We have been very fortunate that a good number of our girls have been playing soccer together for a long time with a lot of really good coaching and it really shows. We have outstanding leadership and I think if these girls can continue to be great teammates then we can really accomplish something special.

Experience: 1st year at HoCo soccer, 3rd year overall, graduated from HOCO in 2002.

SERVING MIDDLE GEORGIA SINCE 1960

Middle Georgia School of Dental Assistants

Wow, you can be on your way to an exciting and rewarding career as a Dental Assistant in just 10 weeks! Classes offered 3 times per year.

Aside from being financially rewarding, a career as a Dental Assistant allows you to work with people, build a career with growth potential, and gives you experience in the always-growing dental health field. This highly motivating and energetic hands-on course is held in a real dental office at Middle Georgia Center for Cosmetic Dentistry. Classes will take place on Saturdays from 8am to 5pm. After ten Saturday's students will have the skills needed to assume the role of an entry level Dental Assistant.

Our course is designed to train students to acquire skills needed to assist chair side with the Dentist. Students learn in the real dental office with up to date dental equipment. Students will be required to complete reading assignment's at home, so we can spend more time doing the hands-on training.
